OHIO STATE UNIVERSITY EXTENSION

# NORTHEAST OHIO AGRONOMY SCHOOL

**February 20, 2019****Bristolville Township Hall****1864 Ohio State Route 88****Bristolville, OH 44402****(Old fire hall at corner of OH45 and OH88)****9:00A.M – 3:30P.M****\$15/person****Includes Lunch**

The Northeast Ohio Agronomy School is back for 2019! A wide variety of topics will be discussed throughout the day including weed management, insect control, agronomic decisions for soybeans, and updates to the Tri-State Fertility guide. Speakers for this year's event include Mark Loux, Andy Michel, Steve Culman, Laura Lindsey, Anne Dorrance, Origin Malts, and other presentations from our sponsors. See the back for more information on topics.

We're in a new location this year – The Agronomy School will be held at the Bristolville Community Center in Bristolville, OH. The community center is in the old fire hall at the intersection of OH-88 and OH-45, right across the street from the library. Cost for the program is \$15/person and includes snacks, lunch, and handouts. Pesticide, fertilizer, and CCA credits will be available. For more information, or to register call 330-638-6783. **Registration deadline is February 18.**

✂

AND ENVIRONMENTAL SCIENCES

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information, visit [cfaes.osu.edu](http://cfaes.osu.edu). For an accessible format of this publication, visit [cfaes.osu.edu/accessibility](http://cfaes.osu.edu/accessibility).

## **New Field Crop Fertilizer Recommendations**

- Steve Culman, OSU Assistant Professor of Soil Fertility
- This talk will highlight major changes and findings of extensive state-wide on-farm fertilizer field trials

## **Stink Bug Management in Soybeans**

- Andy Michel, OSU Associate Professor of Entomology
- Dr. Michel will cover stink bug identification and management as well as tools to estimate insect defoliation in soybean.

## **Preventing Waterhemp and Palmer Amaranth from Ruining Your Life**

- Mark Loux, OSU Professor of Weed Science
- Dr. Loux will discuss strategies to prevent waterhemp and Palmer Amaranth from becoming established in NE Ohio.

## **Soybean Disease Update**

- Anne Dorrance, OSU Professor of Plant Pathology
- Dr. Dorrance will discuss diseases that are popping up in Ohio with the wet weather, and what are some new recommendations to control their spread.

## **Yield Limiting Factors in Soybeans, and Agronomic Management of Barley**

- Laura Lindsey, OSU Assistant Professor Hort and Crop Science
- What is holding back your soybeans from increasing yield? Dr. Lindsey will discuss how to increase your soybean yield and also talk about agronomic decisions for growing barley.

## **Malting Barley in Ohio – A Growing Opportunity**

- Whitney Thompson, Origin Malts
- Origin Malt and Malting Seed Producers are excited to continue building their network of barley growers in the State of Ohio. The talk today will address information about Origin Malt, malting barley best practices and how to become a malting barley grower.

## **Sponsor Talks at Lunch**
