

Tuesday , March 3rd, 2020 | 6:30 P.M. to 8:30 P.M.

Northeast Ohio

Winter Cattle Clinic

This year's topics include:

Neonatal Calf Care & Drug Residue Prevention

The Ashtabula County office of OSU Extension, the Ashtabula County Cattlemen's Association, and the Ashtabula County Dairy Service Unit would like to invite Northeast Ohio beef & dairy producers to the "Northeast Ohio Winter Cattle Clinic" on Tuesday March 3rd, 2020 at the Ashtabula County Fairgrounds Expo Building.

Cattle are most vulnerable just after birth, so maintaining proper care during this time makes the difference when working to raising a healthy heard. Join us March 3rd to hear **Dr. Bryan Elliott** share best practices for neonatal calf care. The clinic will also feature a presentation on drug residue prevention form Ohio Department of Agriculture Veterinarian, **Dr. Ellen Yoakam**. 4-H and FFA youth will also gain valuable experience from this workshop. There is no cost for this educational evening so RSVP today!

Location: Expo Building at the Ashtabula County Fairgrounds
127 N Elm St, Jefferson, Ohio 44047

Cost: Free to attend but please RSVP by March 2nd

Light Refreshments Included!

Registration: Please RSVP for this program by calling the Ashtabula County Extension office at 440-576-9008 or emailing Andrew Holden at Holden.155@osu.edu

This event is co-sponsored by The Ashtabula County Cattlemen's Association & The Ashtabula County Dairy Service Unit
