ASHTABULA COUNTY OHIO STATE EXTENSION PRESENTS

NE Ohio Livestock Trailer Rollover and Emergency Training for First Responders

Livestock accidents add a level of complication to an already challenging situation.

The objective of the Bovine Emergency Response Plan (BERP) is to develop a framework that local law enforcement, first responders, emergency management, and veterinarians can use to more appropriately address accidents involving cattle transport vehicles. This framework is rigid enough to cover all the critically needed areas but flexible enough to fit the needs of local municipalities. Join OSU Extension Beef Specialist, Dr. Stephen Boyles and Ashtabula County Ag Educator, Andrew Holden, for this important 4-hour training that will help make NE Ohio more prepared in the case of livestock emergencies.

Date: Saturday, October 22nd, 2022

Time: 9:00 AM to Noon, with lunch following the program

Location: Bloomfield Livestock Auction

2211 Kinsman Rd, N. Bloomfield, OH 44450

Cost: There is no cost to attend this program

RSVP: Please register by October 17th to secure your spot

Email Andrew Holden at Holden.155@osu.edu or Call 440-576-9008

Thank you to NE Ohio Farm Bureau's for sponsoring this event!
